

**OUR PURPOSE-BUILT FACILITY IS TOTALLY UNIQUE. IT OFFERS EVERYTHING THAT ANY ORGANISATION OR INDIVIDUAL WORKER COULD NEED TO CONDUCT, OR PARTICIPATE IN, SPECIALIST INDUSTRY TRAINING... IN ONE PLACE.**

The Construction Training Centre, commonly known as 'CTC', is a specialist resource hub for the building and construction industry.

Our tenants, partners, workers and staff are part of an industry based community that benefits from direct access to progressive world class training facilities and equipment, and collaborative partnerships.

Since our commencement in 1994, The Construction Training Centre is increasingly regarded as a valuable industry asset - a 'one stop shop' and first choice location for training.

We play host to a broad range of Registered Training Organisations (RTO's) and commercial organisations; some through flexible short term hire, and some through long term tenancies.

**OUR MISSION**

To equip people with the skills they need for the future, to develop the Queensland building and construction industry with the highest quality workforce and specialist knowledge.

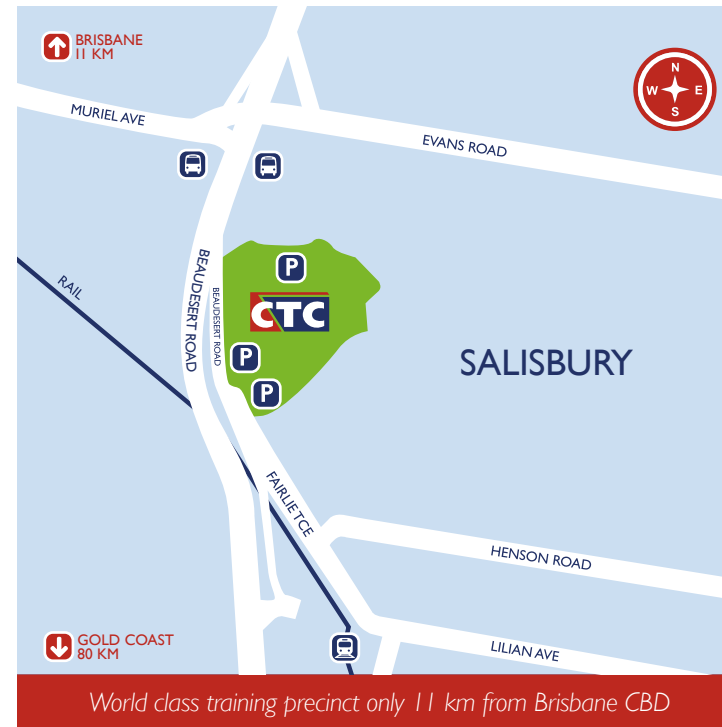

**OUR ORGANISATION**

Founded in partnership between the Queensland construction industry and the Queensland Government.

Leasing  
your program - our place

## HOT LEASING

**Flexible, short-term hire of a world class high risk work license and safety training facility.**

In an industry first, CTC assumes the capital and leasing costs associated with the delivery of RTO training programmes.

With no capital outlay and no long-term commitments, CTC have minimised the risks and improved efficiency for RTO's, allowing you to plan your courses around your own schedule - and only pay for the time you use.

A wide range of state-of-the-art equipment has been installed in our Hot Leasing facility, dedicated to High Risk Work Licensing (HRWL) and safety training, including:

- Elevated Work Platform
- Forklift
- Working at Heights & Rope Access
- Confined Space
- Asbestos Removal
- Cranes
- Scaffolding
- Swing Stage Training & Swing Stage Rescue
- Materials Hoist
- Dogging & Rigging
- Entertainment Rigging
- Steel Fixing
- Australia's First Multi Modal Assessment Platform (MMAP)

## TRAINING ROOM HIRE

**Affordable training room hire, with everything you need in one place.**

At CTC you will receive more than just a room, you will be part of a vibrant industry hub, with purpose-built campus style facilities and access to a wide range of resources and contacts.

- Ample off-street car parking
- Regular transport links to the city and surrounding areas
- Central precinct with high class amenities, including a vibrant cafe
- In-room catering options
- WiFi Internet
- No additional costs for AV

Our alternative to traditional city venues is just 11km from Brisbane CBD, and located on a 12 hectare site where the iconic Brisbane Story Bridge was built. We provide 10 different training rooms available for short term hire.

The training rooms at CTC vary in size, capacity and layout, holding from 12 - 180 participants, and can all be customised to suit your individual needs.

## COMMERCIAL LEASING

**Build your business within an exciting industry hub and enhance your reputation as a specialist training provider.**

Our long-term tenants enjoy the benefits of being part of Queensland's leading construction training facility. There are more than 18 registered training organisations (RTOs) as well as other businesses operating within the construction, building and associated industries established at the centre.

Being part of The Construction Training Centre means being part of a collaborative community, where you are able to:

- Build a strong network of industry contacts;
- Utilise resources made available by others operating on site;
- Access a wider audience of potential students; and
- Create partnerships to grow your business and the services you provide.

We offer flexible lease arrangements and are more than happy to discuss your individual requirements to provide the right long-term solution to complement your business.
