Safety Information

Emergency Evacuation and Fire

Emergency Evacuation Diagrams are displayed at entrances to all rooms.

Clients & Visitors must follow the direction of Fire Wardens (including Floor and Area Wardens) and go to the nearest assembly point when a Fire Alarm is heard.

The Facilitator / Trainer must complete their own roll call to ensure their students / visitors are accounted for. Do not leave the CTC precinct unless directed to do so by Emergency Personnel or CTC fire wardens.

Clients should be aware that areas may be isolated from the Precinct Fire Prevention Systems for services to be completed. Should any smoke, flame or other risk be noticed, a manual alarm should be raised immediately.

Assembly Areas

Clients and their visitors/students must heed evacuation siren and directions of the CTC Head Fire Warden.

CTC has 5 assembly areas across the precinct:

- Main precinct - Assembly A, Assembly B, Assembly C
- South Precinct – Assembly D & Assembly E

Refer to [Assembly Points](#) for locations.

Accidents & Incidents

We do our best at CTC to avoid accidents and untoward incidents but when they do occur they must be reported to CTC. Where an injury has occurred, there are statutory reporting responsibilities and staff are to complete an Incident Report each time an accident or near miss occurs. This is CTC's responsibility to CTC staff.

CTC's policy does not override yours but if there is an accident on our precinct involving you or your attendees, we need to be informed in order to determine whether it was preventable and what lessons can be learned for the future. All incidents must be reported to CTC as soon as practical but does not supersede any statutory reporting requirements.

First Aid and CPR

CTC has its own First Aid room located immediately across from our office in Building 1. CTC has qualified occupational first aiders and contact details can be found on the outside of the room.

Principal Contractor

In each and every instance, the Client is fulfilling the role of Principal Contractor (PCBU) for the purposes of the Workplace Health and Safety law operating at the time. It is important for trainers / facilitators to be aware of this and to supervise their visitors and trainees to the proper degree.

Pedestrian Crossings

CTC has 2 marked pedestrian crossings in Peter Lyons Drive, where normal road rules apply (i.e. pedestrians have right of way) which must be complied with.

Please be aware that there are numerous pedestrians onsite and follow the 20 km speed limit onsite.

CCTV

All Clients & Visitors should be aware that there are a number of CCTV systems located on the site (for security purposes only), and that they are liable to be filmed as a result.

Train

Clients should be aware that there is an operational railway line that runs through the precinct. Care needs to be taken when crossing this line. Additional care should be taken when the locomotive is actually on the line.

Other Information

'Quiet Enjoyment'

Clients have the right to 'quiet enjoyment' and to be able to go about their business without hindrance or interference.

While at times it may be tempting to take a shortcut through a Tenant's premises this is prohibited as many tenants operate potentially dangerous training and if they are not aware of whom might wander through their premises, they cannot take this into account.

Hot Leasing High Risk Training

CTC has established a state-of-the-art High Risk Licence training area at the eastern end of Building 3 & 4 where high-risk devices are in operation to simulate on-the-job experience for trainees.

Access to this area is restricted to those registered, inducted and booked users wearing appropriate PPE at all times. No entry is permitted without CTC prior approval.

Drugs and Alcohol

CTC is committed to maintaining a productive, safe, and healthy work environment, free of unauthorized drug and alcohol misuse. Facilitators and students should not enter the precinct if they suspect they are under the influence of alcohol or drugs.

Don't Walk By

This is particularly important as part of our commitment to ensuring a safe work site that has minimal impact on the environment. Where Clients & Visitors see an event or situation where they feel safety could be compromised, they should report the incident to the CTC precinct management office.

Unacceptable Behavior

CTC does not tolerate unacceptable behavior on the precinct. This includes littering, swearing, inappropriate use of a vehicle, dangerous behavior, offensive behavior to any CTC Clients, tenants or visitors, sexual harassment, bullying or fighting. In the event that a Visitor is deemed to be behaving inappropriately they may be asked to leave the site.
